

Acknowledgement to reviewers

The high scientific standards maintained by *Family Medicine and Community Health* (FMCH) in its papers owe much to the continuing dedication of the journal's reviewers, who give freely of their time and expertise. We are pleased to pay tribute to this contribution by recognizing those who have participated in the review process. Thus, the Editors and publishers of *Family Medicine and Community Health* acknowledge with particular gratitude the following reviewers who have reviewed papers during the period January 2018–September 2018.
